Subject: Acceptance of Amended Notice of Intention to Conduct Small Mine Operations,  
Quality Building Stone Torrey Buff, S/055/0022, Wayne County, Utah

Dear Ms. Miller:

The Division of Oil, Gas and Mining (Division) finds your amended Notice of Intention to Commence Small Mining Operations (NOI) complete for the Torrey Buff mine. The required reclamation surety of \$17,500.00 is escalated to 2019 dollars. You are now permitted to conduct small mining operations on 2.29 acres of active operation and on 2.21 acres which have received partial release for a total of 4.50 acres within the disturbed area boundaries.

As we have discussed, the Division is willing to adjust the reclamation sureties for this mine, Weston #1, and the Lucero Red quarry and will continue to work with you to effect the changes and releases.

Please contact Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions or concerns regarding this approval.

Sincerely,

Paul B. Baker  
Minerals Program Manager
